Psychiatric, Psychosocial and Ethical Issues in Organ Transplantation

Hosted by the Neuropsychiatric Institute and Hospital
Department of Psychiatry and Biobehavioral Sciences
at the David Geffen School of Medicine at the
University of California at Los Angeles

**February 4 - 6, 2005
Santa Monica, California**

Psychiatric, Psychosocial and Ethical Issues in Organ Transplantation

Each year thousands of patients wait for and receive organ transplants. As our medical technology advances, transplant recipients are living longer. Over the past five years, living donation has become commonplace at most transplant centers. Improving the quality of life for donors and recipients provides new challenges both clinical and ethical. Lectures, papers and workshops will address the complicated psychosocial aspects of organ transplantation, living donation and end of life care.

Participants will be able to navigate through the current social and political environment that now affects transplantation with increased knowledge and confidence and will be able to:

- ◆ Identify emerging ethical issues in organ transplantation and organ donation.
- ◆ Effectively incorporate psychosocial information and ethical analysis in caring for living donors, transplant patients and their families.
- ◆ Understand the history and future directions of solid organ transplantation.

This conference is supported by unrestricted educational grants from:
Roche (major sponsor)
and other sponsors:
Pfizer, Fujisawa, and Novartis

Hotel Reservations

Conference attendees may reserve hotel rooms at a special conference rate.

Deluxe Guest Suite: US\$149.00

Ocean View Guest Suite: US\$159.00

Program

Friday, February 4

- 9 am Check-in and Registration**
- 12:45 pm Welcome**
- 1 pm Plenary Session I**
Live Organ Donation: Social Context, Clinical Encounter and the Psychology of Communication
Owen Surman, MD, Terre Allan, PhD and Isao Fukunishi, MD
- 2 pm Paper Session I**
Ethical Dilemmas
Workshop I
Religion, Altruism and Organ Donation
- 3:15 pm Paper Session II**
A Abstinence and Substance Abuse
B Emotional Distress
C Psychosocial Outcomes in Pediatric Transplantation
- 4 pm Keynote Address I**
Ethical Considerations in Liver Transplantation: A Surgical Perspective
Ron Busuttil, MD
Chief, Division of Liver & Pancreas Transplantation Director, Dumont-UCLA Liver Transplant Center
- 5 pm Adjourn**

Saturday, February 5

- 8 am Keynote Address II**
Cardiac Transplantation: Advances and Ethical Dilemmas
Jon Kobashigawa, MD
Medical Director, UCLA Heart Transplant Program, President: ISHLT
- 9 am Paper Session III**
Living Donation—Kidney
- 10:15 am Workshop II**
A Medical Altruism: Issues in Living Donation
B Coping with Countertransference and Counter-Reactions

- 11:15 am Paper Session IV**
A Family Support and Coping
B Death, Dying and Palliative Care
C Transplant Candidate Decision-making and Communication

- 1:30 pm Paper Session V**
A Psychosocial Outcomes in Solid Organ Transplantation
B Living Donation—Liver

- 3:15 pm Plenary Session II**
Ethical and Practical Issues in Organ Allocation
Gabriel Danovitch, MD
Director, UCLA Kidney and Kidney/Pancreas Transplant Program

- 4:15 pm Adjourn**

Sunday, February 6

- 8 am Keynote Address III**
When Does Death Occur?
Stuart Youngner, MD
Director, Case Western Reserve Center for Biomedical Ethics
- 9 am Workshop III**
A Psychosocial Aspects of Islet Transplantation
B Psychosocial Evaluation of Living Donors
C Mindfulness-Based Stress Reduction & Transplantation
- 10 am Adjourn**

Accreditation

Category I Continuing Medical Education (CME)

This is an activity offered by the UCLA Neuropsychiatric Institute, a CMAA-accredited provider. Physicians and Psychologists attending this course may report up to 11 hours of Category I credits toward the California Medical Association's Certification in Continuing Medical Education and the American Medical Association's Physician's Recognition Award. Each Physician or Psychologist should claim only those hours of credit that he/she actually spent on the educational activity.

Social Workers and MFCCs/MFTs

UCLA Neuropsychiatric Institute is an accredited provider for continuing education credits for LCSWs and MFCCs/MFTs (provider number PCE378). This course meets the qualifications for 11 hours of continuing education credit as required by the California Board of Behavioral Sciences.

Board of Registered Nursing Contact Hours

UCLA Neuropsychiatric Institute is an accredited provider for continuing education credits for nurses (provider number CEP381). This course meets the qualifications for 11 hours of credit as required by the Board of Registered Nursing.
